Admissions and Fees Policy

Admissions

When a parent/carer contacts the school enquiring about a place for their child, they will be given all the relevant information they require including details of the Admissions and Fees policy, and informed of whether there is currently a suitable place available for their child.

Parents/carers must complete, sign and return the Admissions Form (Appendix 2) and Emergency Medical Treatment Form (Appendix 1). Once the admission is secure, a date for the child's first session at BFCC will be given.

Waiting List

To ensure that admissions to BFCC are offered on a fair and transparent basis, the following procedure will apply to the management of waiting lists:

- If, on making an enquiry about a place for their child, a parent/carer is informed that there is not currently a suitable one available, they will be placed on our waiting list.
- The waiting list will be kept and used on a 'first come first served' basis. When a vacancy at BFCC becomes available, the school will contact the parent/carer.
- If the parent/carer concerned no longer wishes to take up a place, the parent/carer of the next suitable child on the list will be contacted.

Fees

- The level of fees will be set by the school and reviewed annually in the light of BFCC's financial position, its future strategic plans and any other broader economic or social considerations deemed relevant.

- All sessions must be paid for in advance.

Invoices will be raised monthly approximately the 20th of each month for the following month's fees. Payments are due by the beginning of the next month. This date will be stated on the invoice.

Preferred payment is through Parent Pay and we encourage parents to pay this way. Alternatively you can pay by cash or cheque. Cheques made payable to 'Broughton Fields Primary School' and need to have your child's name and invoice number written on the back. Payments should be handed into the school office.

Childcare Vouchers are also accepted for payment – please use '**Broughton Fields Primary School**' voucher account. Please speak to the school office for relevant voucher account reference number, if required. When submitting a payment please use your child's name and invoice number as your reference.

Tax free childcare scheme is also accepted for payment. If you chose to pay via this scheme please sign up through the gov.uk website. Once your application has been successful you will receive an unique payment reference for your child. Please contact Lucy Jones or Rachel Timms in the school office with your payment reference so we can allocate your payments accordingly.

- **Parents/carers are encouraged to speak to the school if they have a query or for any reason, they are likely to have difficulty in making a payment on time. Parents/carers are strongly advised to arrange a meeting at the earliest possible opportunity. Where payment is not received by the due date the child's place at BFCC may be rescinded.**

Partnership with Parents and Carers

Our Club recognises that parents/carers play the fundamental role in a child's development and this should be acknowledged as the basis for a partnership between BFCC and parents/carers.

The staff team is committed to working in partnership with parent/carers to provide high quality, safe and stimulating care, learning and play opportunities for children. BFCC aims to achieve this by:

- Ensuring that parents/carers are made to feel welcome and valued in all dealings with BFCC.

- Ensuring that parents'/carers' concerns are always listened to by BFCC whenever they are raised. The Leader will ensure that parents/carers receive a prompt response from BFCC.

- Making all information and records held by BFCC on a child available to their parents/carers, unless it is subject to investigation by the police or other statutory agencies.
- Ensuring that BFCC's policies and procedures are made available to parents/carers on request.
- Encouraging parents/carers to comment on BFCC's policies and procedures and consulting them on a regular basis about the activities that are planned and provided for their children.
- BFCC have an open door policy, if you wish to discuss how your child has settled in or any problems that they might be encountering, please speak to a member of staff.
- Ensuring that any complaints from parents/carers are dealt with swiftly and effectively in accordance with the provisions of the School Complaints Procedure policy.
- Providing parents/carers with formal and, if necessary, confidential means to comment on the work of BFCC. This will include an annual satisfaction survey.
- Keeping parents/carers up to date with any changes in the operation of BFCC, such as alterations to the opening times or fee levels.

EXPECTATIONS AND BOUNDARIES

Care Club follows its own behaviour and reward system. This largely mirrors that which is in place during the school day, including the 'Good To Be Green' system, ensuring consistency which is so important for children.

In Care Club, we pride ourselves on providing a laid back and relaxed environment. The vision is that this should be like home, at school. Hence, the expectations for children's involvement are more relaxed than during the school day. However, in order to ensure that is a fun, functioning, and safe place for everyone, expectations of manners, behaviour, respect and courtesy remain exactly the same as during the school day. The following guidelines will be in place when enforcing these expectations:

- All children will be given 2 verbal warnings before an amber card is given.
- When a child receives an amber card, they will lose 15 minutes of privileges. This means the privilege to choose their own activity, so the child will have to stay with one of the Care Club leaders, doing whatever activity they are leading at that time.
- If the bad behaviour then continues, the child will receive a red card. At this point, they will be removed from care club for 15 minutes and will be sent to a senior member of school staff.
- Red and yellow cards will be recorded, but only within Care Club. This is completely separate to the school recording system, and the two systems do not feed into each other.
- If 5 or more cards or 2 red cards are received during any term, the child will be withdrawn from the End of Term Reward (see below). In this instance, they will be supervised by a member of care club or school staff in another area, and quiet activities will be provided for them.
- If a child's behaviour continues to be a concern, and they persist in ignoring boundaries and expectations, we reserve the right to withdraw their place at

Care Club. Mrs. Cameron and Mr. Hearn will meet with parents beforehand if it looks likely that this could happen in order to draw up a behaviour contract. Failure to adhere to this will result in the place at Care Club being withdrawn with immediate effect.

END OF TERM REWARD

Care Club staff will organise an event or treat at the end of term as a reward for continued good behaviour and adherence to Care Club expectations. We hope that all children will be able to take part in this. We do recognise that not all children attend all days. Therefore, where possible, a treat activity will be provided during the final week of any term for those children who will not be attending on the day of the actual event. However, due to logistics of staffing and when the end of term falls, this may not always be possible.

Breakfast and Afterschool Snack

Breakfast - a mixture of cereal, toast, yogurt and fruit is served from 7:40- 8:15am. To enable the hall to be ready for the school day there will only be limited breakfast options available for children arriving after 8:15am.

During afterschool sessions the children sit together to have snack. This is to mirror, something they might have when they get home from school if they were not attending Care Club to bridge the gap until their evening meal. Fruit and vegetables are always offered, these would be accompanied for example by either, Toast, Wraps, Pasta or Crackers. It is a snack and not a meal.

Uncollected Children

Our Club has the highest regard for the safety of the children in our care – from the moment they arrive to the moment that they leave.

At the end of every session, BFCC will ensure that all children are collected by a parent, carer or designated adult. If for some reason a child is not collected at the end of a session, the following procedures will be activated.

- If a parent, carer or designated adult is more than 15 minutes late in collecting their child, the Leader will be informed.
- The Leader will call the parent, carer or designated adult, and use any other emergency contact details available in order to try to ascertain the cause for the delay, and how long it is likely to last. Messages will always be left on any answer phone requesting a prompt reply.
- While waiting to be collected, the child will be supervised by at least two members of staff who will offer them as much support and reassurance as is necessary.
- If, after repeated attempts, no contact is made with the parent, carer or designated adult, and a further period of 30 minutes has elapsed, the Leader will call the local social services department for advice.
- In the event of the social services being called and responsibility for the child being passed to a child protection agency, the Leader will attempt to leave a further telephone message with the parent/carers or designated adults' answerphone. Furthermore, a note will be left on the door of BFCC's premises informing the parent,

carer or designated adult of what has happened. The note will reassure them of their child's safety and instruct them to contact the local social services department.

- Under no circumstances will a child be taken to the home of a member of staff, or away from BFCC's premises unless absolutely necessary, in the course of waiting for them to be collected at the end of a session.

- The child will remain in the care of BFCC until they are collected by the parent, carer or designated adult, or alternatively placed in the care of social services.

- Incidents of late collection will be recorded by the Leader and discussed with parents/carers at the earliest opportunity. Parents and carers will be informed that persistent late collection will result in the loss of their child's place at BFCC.

- Late charges will apply if a child is collected late at the following rate:
£5.00 for all late collections, beyond paid for session times (ie after 5pm or after 5:45pm) up to 6pm. Collection after 6pm will incur the £5 initial charge then will be charged at £10 per 15 minutes or part of 15 minute intervals.
