

The Broughton Pizzeria!

The children had a fantastic day tasting, designing and creating their own pizzas.

The end products were stunning - I hope there was enough left for you to try some at home!

The Warrior Queen!

Just this week, our wonderful Year 3 and 4 pupils dazzled audiences with their performance of The Warrior Queen. We are immensely proud of them all and hope they've enjoyed the experience of putting on a performance - well done Year 3 & 4!!

Our Creative Curriculum...

The Anglo Saxons!

<u>English</u>	<u>Maths</u>	<u>History</u>	<u>Art/DT</u>	<u>Physical Education</u>
<p>Year 3 will be writing a letter to MK Council about current environmental issues. We will be learning to use persuasive language and extend our ideas.</p> <p>Year 4 will be writing newspaper reports and writing poetry. It would be fantastic if you could look at newspapers over Easter with your child.</p>	<p>Year 3 will be re-visiting calculating and problem solving with the four operations and fractions. We will learn 6, 9 and 12 x table facts too.</p> <p>Year 4 will be re-visiting the concepts taught so far in Year 4. We will begin with calculating for the four operations and solving problems before re-visiting fractions and decimals and shape.</p>	<p>This term the Anglo Saxons have landed! We will learn about why they came to Britain and Anglo Saxon Life. We will learn about King Alfred and King Arthur as well as ancient burial site of Sutton Hoo and it's treasures. The Bayeux Tapestry will be use to as a source of evidence from the past.</p>	<p>We will be exploring and creating work based on the famous artists:</p> <p>Andy Goldsworthy, Henri Matisse, Wassily Kandinsky and Roy Lichtenstein.</p>	<p>Year 3 and 4 will be developing their skills in athletics including pacing themselves to run over long and short distances as well as a range of throwing and jumping skills. We will challenge ourselves to beat previous records and compete with each other.</p>
<u>Music</u>	<u>French</u>	<u>Religious Education</u>	<u>Science</u>	<u>Computing</u>
<p>Year 3 will explore the pentatonic scale through traditional Chinese music.</p> <p>Year 4 will learn to play popular songs using the virtual guitar on Garageband.</p>	<p>Summer term will involve lots of animals in LKS2. Year 3 will be learning a story about 4 animal friends who are desperate to eat a big red apple.</p> <p>Year 4 will be studying "The Carnival of the Animals" by Camille Saint Saens and finding out how animals communicate in French!</p>	<p>In Year 3 we will be learning about Hinduism focussing on the belief that there is one God with many different aspects and understanding the significance of the River Ganges.</p>	<p>We will be learning about sound and electricity. We will be using data loggers to explore volume and we will be making and investigating electrical circuits.</p>	<p>We are going to be developing our presentation skills by filming and presenting our own news reports.</p> <p>We will be using a variety of devices to deepen our understanding of using media.</p>
