

## Year 3 Home Learning from 14<sup>th</sup> Dec

Please find enclosed the home learning for this week. This will mirror the learning or the skills that would have been taking place in class.

Reading:

<https://classroom.thenational.academy/units/into-the-forest-by-anthony-browne-91e8>

This is a beautiful story, we have this in school, Anthony Browne is a very, very clever author and illustrator and I am looking forward to hearing what you think about him!

Spelling:

<https://classroom.thenational.academy/units/suffixes-plural-0d5b> This is a revision, please do one a day.

English:

<https://classroom.thenational.academy/units/healthy-food-persuasive-writing-2b8f>

There are lots of lessons here but some are quite short! Please complete as many as you can, work through from beginning to end.

Maths:

<https://classroom.thenational.academy/units/time-a1c3> Please do lessons 6-10, this mirrors the learning in school.

Science

<https://classroom.thenational.academy/units/rock-cycle-bd29> This mirrors the learning in school, there are lots of geologists in year 3 at the minute!

Music:

<https://classroom.thenational.academy/units/pulse-and-metre-583c> Here is a sequence of lessons on pulse and meter, this will help ready for next half term's music lessons. Please do a lesson a day.

Please send any work completed to your child's teacher via the class email account.

This week is the last week before the end of term. It has been a long term and you have worked hard. As usual, we would be having our Christmas Party day on Friday. Plan some of your favourite activities to do on Friday so you too can celebrate the end of the school term.

Have a wonderful break.
