

	Monday 13 th December	Tuesday 14 th December	Wednesday 15 th December	Thursday 16 th December	Friday 17 th December
English	<p>Oak Academy Unit</p> <p>A Christmas Carol – Charles Dickens</p> <p>There are 5 lessons in this unit to work through during the week.</p>				
Maths	<p>Use the school website to navigate some of the arithmetic videos. These will help you to practise the four operations.</p> <p>Broughton Fields Arithmetic Videos – The password is circle</p> <p>If you're secure with the four operations, have a look at some of the fractions arithmetic to prepare for after half term.</p>				
Reading	<p>Oak Academy Unit:</p> <p>Hidden Depths</p> <p>There are 5 lessons in this unit to work through during the week.</p>				
Topic	<p>Oak Academy Unit</p> <p>This week we have been developing our working scientifically skills in school. It's tricky to ask you to do some investigating at home. Use these lessons to develop your practical science skills. You could then plan an investigation to do at home using these skills.</p> <p>Practical Science Skills</p> <p>STEM Challenge: Can you design and construct a sledge where you can control the descent?</p> <ul style="list-style-type: none"> • What force pulls the sledge down the ramp? • What force slows the sledge down? • What factors do you think will affect these forces? <p>Plan and carry out this investigation. Send in your results (along with a photo of your sledge).</p>				
End of term	<p>This week is the last week before the Christmas break. It has been a long term and you have worked hard. Please send any work completed to your child's teacher via the class email account.</p> <p>As usual, we would be having our Christmas Party day on Friday. Plan some of your favourite activities to do on Friday so you too can celebrate the end of the school term.</p> <p>Have a wonderful Christmas.</p>
