My Route to School

Getting to Oakgrove School safely is just as important as being there. In the box below, write down or draw the route you are going to take to school (whether that's walking, cycling, driving or by bus). Identify spots where there could be hazards (e.g. busy roads) and explain how you will manage this safely! If you are planning to take the bus research which number bus you need to take and what time it leaves and arrives at school.

What is expected of me at Oakgrove School?

The Attitude for Learning of students at Oakgrove is crucial to their success. It applies to the way we choose to conduct ourselves, the way that we behave towards other people, and the way that we behave in our lessons. They are expectations, because we are expected to behave in this way; it is not a choice. The expectation that we have is that we all behave in a way that means that we are calm, collected and respectful towards one another, and that we arrive for our lessons punctual and prepared.

Label the boxes to match them to one or more of the expected behaviours below:

C = Calm and collected

P = Punctual and prepared

R = Respectful and responsible

Turning up on time to lessons

Working successfully as part of a team

Being respectful of other peoples beliefs

Having your shirt tucked in neatly

Staying calm if something goes wrong

High level of respect shown to all

Saying good morning to people as you pass

Supporting others

Holding the door open for a teacher

Asking for help when needed

Consistent punctuality over the whole year

Helping with school clubs

Going above and beyond with your work

Participating in lessons

Taking some time to think about a response if you feel angry or annoyed

Contributing to lessons

Being respectful to other staff and students

Sitting with someone who is alone at lunch

Apologising if you have done something hurtful
